

Application Serial No. 10/071,453
Supplemental Response to March 23, 2005 OA

MI22-1921

REMARKS

This is a supplemental response to the Office Action dated March 23, 2005 and supplements the response filed by facsimile on April 25, 2005. Claim 34 is amended to further clarify the claimed subject matter. The amendment made to claim 34 now more positively expresses limitations which were previously inherent in such claim, and accordingly, are not for the purpose of narrowing and do not effectively narrow the scope of the claim.

This application is now believed to be in immediate condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to issuance of any such subsequent action.

Respectfully submitted,

Dated: 5-16-05
